Residences at Belvedere

A COMMUNITY OF COMFORT & CARE.

Looking for a retirement community for yourself, a friend or a loved family member? Belvedere Seniors Living offers a "Community of Care" which provides: both Seniors Independent Living and Assisted Living at the Residences at Belvedere, Complex Care (traditionally known as Long Term Care) at our adjacent Belvedere Care Centre which provides individuals with professional care needs and supervision. Our Community of Care facilities at the Belvedere Care Centre offer a range of services for chronically ill individuals and those who need assistance with either returning from hospital care or at risk of going to hospital.

Services include:

- Dementia Care Support from early to late stages
- Palliative Care
- Therapeutic and Rehabilitative Care
- Independent Living for Persons with Disabilities
- Diabetes Management
- Wellness Program

Private pay accommodation and services, as well as government funded accommodation and services are available.

Residences at Belvedere is a new Independent Living centre providing Assisted Living and Supported Living in contemporary accommodations designed to meet the needs and desires of seniors who require modest levels of support and care. The Residences at Belvedere is co-located to our Complex Care facility, Belvedere Care Centre. We believe the transition is supported by our approach to ensuring individuals' choice is recognized and they are able to maintain maximum independence while at the same time ensuring resident safety, security and choice.

Your monthly rent includes:

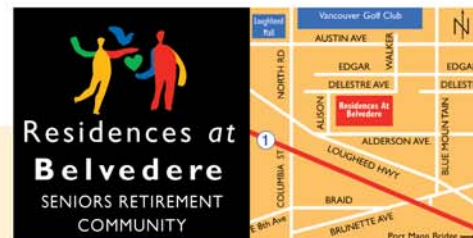

- Daily Chef prepared lunch and dinner served in our dining room
- Complimentary Tea or Coffee, fresh fruit and snacks served in our cozy café
- Daily recreational activities such as exercise classes, crafts and games, concerts special events and outings to community events
- Twice weekly shuttle service which will take you to the nearby Lougheed Mall
